

Please Help by Attending the May 9th  
Sparta Mountain WMA Public Meeting!

---

**A revised logging plan has been released for the Sparta  
Mountain WMA and the forest needs your help!**

**Please plan to attend the May 9th 6 PM public hearing at:**  
**Sussex County Technical School**  
**105 North Church Road**  
**Sparta, NJ**

*Members of the public will have 3 minutes to speak. Note that the DEP is not accepting comments to revise the plan. This is meant to be an information session where they answer your questions.*

We need to fight to protect the last forests in NJ by promoting an ecological approach to Forest Stewardship, not a profit driven approach.

Sparta Mountain is the beginning of the state's plans to perform the same work on the last surviving **publicly owned forests** and **state parks** of New Jersey.

We can't afford to lose these trees not only do they **provide the air we breathe** and are **home to NJ's precious wildlife** but they **filter the very drinking water we depend on to live!**

## About the New Jersey Highlands Coalition

We represent a diverse network of organizations - small and large, local, regional, statewide and national - and individuals with the common goal to protect, enhance and

restore the New Jersey Highlands and to preserve the quality and quantity of drinking water both for the 850,000 people in the Highlands as well as the more than 5.4 million people in Northern and Central New Jersey who depend on Highlands water.
